Society & Culture

[Listen on Apple Podcasts ↗](#)

BL Shirelle (a Black queer woman from Philly) and Fury Young (a white Jew from NYC), the powerhouse team behind Die Jim Crow Records, talk frankly about their quest to dismantle stereotypes around race and prison by amplifying the voices of talented incarcerated musicians.

This episode features a clip of the song "Conspiracy" off of BL Shirelle's album Assata Troi, released in 2020 on Die Jim Crow Records.
